ICON

ICON offers the best of both worlds: the look and performance of a running shoe, combined with the protective function of a safety toe. Delivering uncompromised comfort and agility, Icon stands as a testament to Hard Yakka's commitment to innovation.

With a featherlight weight of just 530 grams and a CME midsole for energy rebound, the shoe is a perfect companion for those clocking high mileage each day, particularly on concrete surfaces. Ideal for warehousing, logistics, and transport, ICON represents Hard Yakka's tradition of blending toughness with comfort.

Hard Yakka
AUSTRALIA EST. 1930

BORN IN 3056

THE 3056 SERIES

The 3056 Series, named after Hard Yakka's birthplace, is a celebrated favourite among our loyal patrons. This work boot combines a wide profile composite toe cap with a 300-degree heat resistant rubber outsole and a CME midsole for energy rebound, ensuring optimal comfort and safety across various industries. With the 3056 Series, you can make a splash with a range of vibrant colours. True to Hard Yakka's tradition, it's the perfect blend of robustness, functionality, and style.
